## TESTER CAMPSITE

Test our campsites and get your free holiday ...

### The Seasonova offer :

11 of our human size campsites (160 pitches on average) are part of the seasonova's group situated on the North East and Ouest of France.

From Alsace, Normandy, towards Brittany, Maine et Loire, Pays de Loire and Nouvelle Aquitaine

Our offer attracts overseas markets and our campsites in Ouistreham and Merville Franceville in Normandy are gateways to the British market and our campsites in Saverne and Alsacegateways to the North market.

Our offer includes quality campsites situated near protected and natural areas and involves many outdoor and well-being activities.

We also pay a particular attention to the equipment and accomodation integration to the natural landscape.

We guarantee you quality, peace and cleanliness to all our customers with family and young children.

If you like camping and wish to share your experiences, you will love this mission

So will you be the next campers to test our seasonova campsites ?

### You will enjoy for a week :

- One pitch for caravans, camping-cars, tents with electricity or rentals
- Free access to our all services of the campsite
- Free internet access during your stay

It does not include : Transports, meal and personal expenses.

### Your mission :

- Answer our quality questionnaire (approximately 100 criterias)
- A 10/15 lines report on our strong points during your experience at the Seasonova campsite as well as an overview table of your like and dislike experiences.
- A detailed report of your stay :

Overall of the campsite and its services and equipments

Activites during your stay

photos videos of the campsite and of your activites

Post your photos and videos of your stay on our seasonova's social networks
