## EVENT ORGANISATION

Seasonova also offers **work spaces** for your **incentive seminars, conferences, kick-offs, showrooms, brainstorming sessions, receptions and meetings.**

Far from the usual meeting rooms, come and get inspired in the heart of nature, in the forest or beside the sea. Work will become a stimulating experience for your projects and reunite your teams.

## RELAXATION AND TEAM BUILDING WITH SEASONOVA

Feel like **shaking things up and working from a different angle** ? Then you've come to the right place! We will **create the difference** ! A different approach far from traditional meeting rooms: simply describe what you are looking for and we'll put together a unique package for you.

With our **flexible workspaces** and **range of activities**, you will finally be able to relax and have fun!

Activities on the premises: swimming pool, mini-farm, team sports areas etc. Of course, Yoga sessions, exploration workshops, team-building and guided tours are also on the programme!

# Why choose Seasonova ?

## Our commitment to your event

We **innovate** and organise seminars, co-working events and private parties to make them enjoyable, original and above all, unforgettable.

If you wish, we can arrange the organisation of **the entire event or just a selected part** of it. We promise to **contact you within 24 hours** to discuss your requirements. You will then receive a **quote within 48 hours**.

Coline, Seasonova's Sales Manager, will be your **unique representative** for the organisation and your event.  
**She will follow your project from start to finish!**

Coline Muller

## Our general commitments

- To provide a **quality service** in line with our «**Slow Life**» values.
- **To buy responsibly** by offering you quality products that are also local and environmentally friendly.
- **Supporting local development** through the purchase of local products for sale in our stores and in our dining bars.
- Promoting **quality of life and well-being at work**: open-plan offices, access to free exercise (yoga, crossfit) and other ongoing projects such as the construction of a vegetable garden and other extra-professional activities.
- Strengthening **equal opportunities, diversity** and **social inclusion**.
- Using **natural resources** (oil, gas, water, etc.) in an **efficient** and **sustainable** way.
- Deploy projects both internally and directly on the campsites in order to **preserve biodiversity**.
- **Limit waste** and **reduce food and other wastage**. **Recycle** waste using **composters** at campsites.

We joined the **Coq Vert** community in 2022 because we are convinced of the **urgency of our role in the ecological transition**.

In 2022 we also joined up with the **SLB Group** and Stéphane LEDENTU as part of the **Econologic Program**. Thanks to them, we were able to **plant 1,935 trees in just one year**, preserving **1.2 hectares of native forest** in Brazil.
